California law does not provide for a "cooling off" or other cancellation period for vehicles sales. Therefore, you cannot later cancel this contract simply because you change your mind, decide the vehicle costs too much, or you wish you had acquired a different vehicle. After you sign below, you may only cancel this contract with the agreement of the seller or for legal cause, such as fraud. All vehicles are sold as is. However, California law does require a seller to offer a 2-day contract cancellation option on used vehicles with a purchase price of less than \$40,000, subject to certain statutory conditions. This contract cancellation option requirement does not apply to the sale of a recreational vehicle, a motorcycle, or an off-highway motor vehicle subject to identification under California law. See the vehicle contract cancellation option agreement for details.
